**4<sup>th</sup> DETERMINATION OF THE AUTHORITY**

---

[1]      This determination should finalise the proceedings between these parties. The need for it arises because I overlooked an issue raised by the applicant's representative when issuing my determination dated 23 February 2012 concerning costs.

[2]      At paragraph [98] of the determination dated 18 January 2012 I found that there were arrears totalling \$14,360.00 (gross) to be paid or accounted for to Mrs Ahn. There was some uncertainty because Mrs Ahn had been paid \$2,450.00 net. That figure plus the PAYE due on that net amount were to be deducted from the \$14,360.00. I reserved leave in case of any disagreement.

[3]      Mrs Ahn's representative and counsel for the respondent in their memoranda agreed that the sum to be paid as a result of the order in paragraph [98] is \$11,390.00 (gross). Accordingly I confirm that the respondent is to pay the applicant \$11,390.00 (gross) as arrears of wages or other monies due.

[4] A certificate of determination can issue including this sum and the other amounts due in accordance with the earlier orders of the Authority.
