Determination: 4 October 2013

COSTS DETERMINATION OF THE AUTHORITY

[1] In a determination dated 16 August 2013 I found there was no employment relationship between Tianhan Cheng and Jingwei Bai. Costs were reserved. Mr Bai has sought a contribution to his costs quantified as reimbursement of the filing fee in the Authority, and a parking fee. Mr Cheng has not responded.

[2] The claim for the filing fee arises from Mr Bai's application to reopen the investigation of this matter. That application was heard and determined on 31 May 2013.¹ Costs of the application were addressed in the determination, and the Authority decided costs would lie where they fell.² Thus the matter has been determined and I make no further order in respect of it.

[3] There will be no order in respect of the parking fee.
