**CONSENT DETERMINATION OF THE AUTHORITY**

---

[1]     During the investigation meeting the parties advised that they had successfully resolved all matters between themselves and requested the terms and conditions of settlement be incorporated into a consent order of the Authority.

The parties have agreed to a record of settlement, a copy of which is held on the Authority file. By consent, the terms set out in the record of settlement are also the orders of the Authority in this matter.

[2] The parties have agreed that the terms of settlement will remain confidential to the parties. For the purpose of preserving the confidentiality, I make a further order, pursuant to Clause 10 of the Second Schedule to the Act, prohibiting the publication of all the contents of the terms of settlement.
