AND Capital & Coast District Health
Board
Respondent

Member of Authority: Denis Asher

Representatives: Sandra Moran and Peter Cranney for Dr Dady
Jonathan Coates & Amy de Joux for the Board

Investigation Meeting: No investigation resulted

Determination: 2 June 2009

CONSENT DETERMINATION OF THE AUTHORITY

[1] Because of progress between the parties in resolving this problem they asked – and the Authority agreed – that the investigation date of 20 April 2009 be set aside.

[2] By letter dated 29 May 2009 Ms Moran advised that this matter was settled and that, by agreement, the parties asked that the Authority make an order by consent sealing all evidence that has been filed. I have no difficulty in accepting the parties' request and order accordingly.

[3] The parties are to be commended for this outcome.
