**CONSENT DETERMINATION OF THE AUTHORITY**

---

**Employment Relationship Problem**

[1]     The parties have advised the Authority that the applicant has decided to discontinue her proceedings, meaning that she now wants to withdraw all of the counterclaims she had made against the respondent.

[2]     The parties have agreed that the applicant shall pay the respondent costs of \$840 plus GST, within 14 days of receiving a GST invoice.

[3]     The parties filed a joint memorandum with the Authority on 5 August 2021, seeking a consent determination that reflected the terms they had agreed.

[4] Accordingly, by consent of the parties, the Authority now orders that:

- (a) The applicant is to file a written withdrawal of all of her counterclaims under AEA 3130455 within two working days of receiving a copy of this consent determination; and
- (b) The applicant is, within 14 days of receiving a GST invoice, to pay the respondent costs of \$840 plus GST.
