Determination: 23 June 2010

DETERMINATION OF THE AUTHORITY

[1] The parties entered into a record of settlement pursuant to s.149 of the Employment Relations Act 2000. Some dispute emerged about whether there was proper compliance with the terms and an application was made to the Authority for various remedies. In an earlier determination, having listened to both parties, I adjourned this matter to allow a period of time for the respondent to complete his obligations under the record of settlement. I indicated that the application would be dismissed with no order for costs if the respondent completed his obligations.

[2] I have now to hand a communication from the applicant's representative to the effect that the respondent has discharged all his obligations. Accordingly this application is dismissed with no further orders.
