**Employment relationship problem**

[1]     The parties have reached an agreement after the Authority's investigation meeting. Both representatives have confirmed the terms of the agreement.

[2]     I am satisfied that the parties have resolved their dispute by agreement, and have requested that the outcome is recorded in a consent order. A consent order has been requested in the following terms:

[3]     By consent the parties have agreed that clause 2.6.7, 2.6.7.1, and clause 2.1.3.1 and 2.1.4.1 of their collective employment agreement do not require any backdating of wage increases, and that the relevant pay increases under those clauses based on promotion to rank are only payable from the date the employee completes both the service and qualification requirements to achieve promotion.

[4] By consent the parties have agreed costs in relation to the dispute are to lie where they fall.

[5] I am satisfied that agreement has been reached supported by memorandum submitted to the Authority by the parties' representatives. I am satisfied that the terms have resolved the parties' employment relationship problem in the matter of a dispute. I agree that the above terms become orders of the Authority by consent and so order accordingly.
