**Employment Relationship Problem**

[1] The parties have requested an order by consent following a full day investigation meeting. The parties at the conclusion of the investigation meeting held private discussions where they reached terms for an order resolving the employment relationship problem.

[2] I am satisfied that the terms resolve the employment relationship problem witnessed by being signed off by both parties.

[3] By consent the parties' confidential terms become an order of the Authority.

[4] Also, by consent I prohibit the publication of the terms to preserve the confidentiality agreed to by both parties.

[5] The above means that the Authority's investigation is now closed and no further action will be taken.
