DETERMINATION OF THE AUTHORITY

The applicant's representative appeared but the applicant did not. Ms Kaur said she had been unable to contact him. I waited ten minutes in case he had been delayed.

The matter is dismissed.

The respondent may apply for costs if it so wishes. A memorandum should be filed within 28 days of the date of this determination if costs are sought. The applicant will then have a period of two weeks after receipt of the respondent's memorandum to file a memorandum in reply.
