**DETERMINATION OF THE AUTHORITY ON COSTS**

---

[1] In a determination dated 9 March 2010 I dismissed Mr McCutcheon's personal grievance claim and reserved costs for both parties to lodge and serve submissions. These are now to hand.

[2] The respondent claims costs of \$1,000.00 and \$500.00 as a contribution towards counsel's travel costs. Mr McCutcheon consents to that application.

[3] By consent I order Mr McCutcheon to pay to Westland Co-operative Dairy Company Limited the sum of \$1,500.00 by way of costs and expenses.
