**CONSENT DETERMINATION OF THE AUTHORITY ON PRELIMINARY  
MATTERS**

---

**Orders by consent**

[1] The Applicant made an urgent application for interim orders against the First, Second and Fourth Respondents. The parties have reached an interim agreement between them and have recorded the agreed orders in a joint memorandum signed by their representatives.

[2] By consent, the terms recorded in the joint memorandum now become the orders of the Authority until further orders of the Authority or the Court.

[3] I am satisfied the circumstances of this case warrant non publication orders.

[4] Pursuant to clause 10 of the second Schedule of the Employment Relations Act 2000 all or any part of the pleadings and affidavit evidence filed, and the names of the parties, or witnesses will not be published and access to the registry file is restricted until after the substantive issues have been determined.

[5] The original memorandum is not attached to this determination but will instead be held on the Authority's file and may not be accessed without the Authority's authorisation.
