CONSENT DETERMINATION OF AUTHORITY

Employment Relationship Problem

1. During an investigation into the parties' employment relationship problem they advised they had settled the matter on their own terms. They asked the Authority to incorporate those terms into a consent order determination and to prohibit publication of its confidential details. I agreed with both requests: the parties'

agreement (the original of which is held by the Authority) is incorporated into this consent determination and its details are prohibited from publication: Clause 10(2) of Schedule 2 of the Act applied.

2. The parties are to be commended for this outcome.
