**SUPPLEMENTARY COSTS DETERMINATION OF THE AUTHORITY**

---

[1] By determination [2013] NZERA Auckland 2, the Authority determined that the Applicant, Ms Nadine Steele, should pay costs to the Respondent, Barkers Park Limited (Barkers Park), in the sum of \$4,000.00.

[2] In that determination the Authority recognised that an arrangement may need to be made for Ms Steele to pay the costs by way of instalments over several months. In the event that the parties were unable to resolve such an arrangement, leave was granted for the parties to revert to the Authority for further orders.

[3] It appears that the parties have been unable to resolve an arrangement for the payment of the costs by Ms Steele, and Mr Diver for the Respondent has reverted to the Authority for further orders.

[4] Mr Diver has proposed that a reasonable repayment schedule is \$50.00 per week until such time as the costs award of \$4,000.00 is paid by Ms Steele in full.

[5] Mr Taylor for the Applicant has not entered submissions in opposition to this proposal.

[6] I consider that the proposed repayment schedule of \$50.00 per week until the full amount is paid is reasonable.

[7] I order Ms Steele to pay Barkers Park the sum of \$50.00 per week until such time as the costs award of \$4,000.00 is paid in full.
