**COSTS DETERMINATION OF THE AUTHORITY**

---

[1] The applicants were successful in their claims. The parties have not been able to agree costs.

[2] The applicants seek costs of \$3,000.00 and the filing fee.

[3] The respondent submits that no costs should be awarded as there is no evidence that any costs have actually been incurred.

[4] The applicants have, despite requests, not supplied any documents showing that costs were actually incurred.

[5] In light of the absence of that information I am unable to make a costs award.

[6] The respondent is to pay the applicants the filing fee.
