**CONSENT DETERMINATION OF THE AUTHORITY**

---

**Employment relationship problem**

[1] The parties have settled their employment relationship problem on agreed terms which are recorded in confidential terms of settlement dated 30 April 2014 signed by the parties (the settlement document). The parties ask the Authority to issue a consent determination and a non-publication order in respect of the agreed terms of settlement.

[2] The agreed terms in the settlement document now become the orders of the Authority. I also issue a non-publication order in respect of the settlement document the original of which will remain on the Authority's file.

**Costs**

[3] Each party appeared in person so there is no issue as to costs.
