DETERMINATION OF THE EMPLOYMENT RELATIONS AUTHORITY

Employment relationship problem

[1] In accordance with the Authority's directions Dr Fenton has filed evidence regarding her financial circumstances. Dr Fenton has asked that her financial evidence be subject to a non-publication order. Western Institute of Technology at Taranaki (WITT) has not objected to that application.

[2] The Authority recognises that Dr Fenton's financial information should be kept confidential so it is appropriate to issue a non-publication order regarding the information

[3] I am satisfied it is in the interests of justice to issue a non-publication order in respect of the information identified by Dr Fenton in her application.

[4] Accordingly, pursuant to clause 10 Second Schedule Employment Relations Act 2000, the Authority orders that a non-publication order applies to the confidential financial information in paragraphs 71 and 72 of Dr Fenton's amended supplementary witness statement dated 02 September 2016 and in relation to the documentation she has supplied in support of her evidence about her financial position.
