

Under the Employment Relations Act 2000

**BEFORE THE EMPLOYMENT RELATIONS AUTHORITY
WELLINGTON OFFICE**

BETWEEN Lynette Williams (Initiating party)
AND Trevor Butterworth (Responding party)
REPRESENTATIVES Eugene Collins for the applicant
John Shingleton for the respondent
MEMBER OF AUTHORITY Greg Wood
INVESTIGATION MEETING 6 December 2001
DATE OF DETERMINATION 7 December 2001

ORDER OF THE AUTHORITY

I have been provided with information from the Senior Support Officer that the parties to the application for reopening of this investigation consent to the matter being reopened, provided the reopened investigation is conducted by another member than the one who originally investigated the matter. I am further informed that they have done so because the respondent was not properly served with notice of the investigation meeting.

I am informed that the parties want this matter dealt with promptly. As an Authority Member with no previous involvement in this matter I am prepared to investigate the matter as if the previous investigation meeting had not occurred.

I therefore order, pursuant to Clause 4(1) of Schedule 2 to the Act, that the matter be reopened and in the meantime stay the effect of the orders previously made under WA 37/01.

G J Wood
Member of Employment Relations Authority
