INVESTIGATION MEETING	24 and 25 January 2007
DATE OF DETERMINATION	25 January 2007

ORDER OF AUTHORITY BY CONSENT

Yesterday I convened a meeting with the parties as part of my investigation into this employment relationship problem. Today after an adjournment the representatives advised me that they had agreed upon terms of settlement of the problem and wished me to record those terms as an order by consent. They also advised me of their wish that those terms remain confidential.

I therefore dispose of the matter by means of an order by consent, the terms of which are attached. The publication of these terms of settlement is prohibited pursuant to Clause (10) (2) of the Second Schedule of the Employment Relations Act 2000.
