CONSENT DETERMINATION OF THE AUTHORITY

[1] During the investigation meeting the parties agreed to meet privately. In doing so, the parties reached an agreement to resolve the employment relationship problem.

[2] Because a settlement has been reached and the parties have an agreement on confidentiality it is not necessary for me to publish any further details and the issues involved in the employment relationship problem.

[3] I recorded the terms of the parties' agreement, including that the parties had agreed on confidentiality.

[4] I accepted that the agreed terms resolved the employment relationship problem.

[5] By consent the terms as given to me orally become an order of the Authority.
